

## The First Few Days

A gentle, practical checklist for the days after a death. You do not have to do it all at once - call us any hour and we will help you through it.

---

### Straight away

- Call us any hour on (028) 9066 7784
- We will bring your loved one into our care whenever you are ready
- A doctor or the hospital will issue the medical certificate of cause of death

### Within a few days

- Register the death with the local registrar (by appointment)
- Collect the death certificate - order a few extra certified copies
- Begin discussing the funeral with us

### When you are ready

- Choose burial or cremation
- Decide on the service, readings, music and flowers
- Let family and friends know the arrangements
- Consider a notice in the press or online

### We can take care of

- The paperwork, registrar and clergy
- The cemetery or crematorium
- Cars, flowers and press notices
- Anything at all that would ease the days ahead
