

Memorials - A Short Guide

As Memorial Masons as well as Funeral Directors, we craft new headstones and restore existing ones. A short guide to your choices.

Types of memorial

- Lawn headstone
- Full or half kerb surround
- Cremation tablet or plaque
- Book or scroll memorials
- Bespoke designs

Materials

- Granite in a range of colours
- Marble
- Local stone
- We will advise on what suits the cemetery

Things to know

- Each cemetery and churchyard has its own memorial regulations
- A new grave usually needs time to settle (often 6 to 12 months) before a headstone is fixed
- We check the rules for your chosen cemetery
- Additional inscriptions can be added later

We can also

- Clean and restore an existing memorial
- Add an inscription
- Re-fix or re-level a headstone
- Advise on cemetery fees and permissions
